# IDL6543 Link Maintenance and Updates

## Overall notes:

- All link targets have been updated to open into a new tab. Prior to this update only a random assortment of links had this feature. This should make things more consistent for the learners as well as prevent frustration from having to go back and forth between pages.
- Corrected formatting issues in which sections of text were hyperlinked that should not have been.

## Course Introduction Module

- Exploring Communications Tools page- "Watch this short video to learn more about Announcements" link does not go to the video mentioned. Located and replaced link with correct one that leads to Announcements Overview video.
- "Watch this short video to learn more about Discussions" link does not go to the video mentioned. Located and replaced link with correct one that leads to Discussions Overview video.
- Accessing Webcourses@UCF With Your Mobile Device page – contains an inactive link: http://bit.ly/canvas-mobile-features. Replaced with working link: https://s3.amazonaws.com/tr-learncanvas/docs/Mobile_CanvasStudent.pdf
- iOS using Google Drive: https://community.canvaslms.com/docs/DOC-1665 link no longer valid. Combined with iOS using Dropbox link as link provided there covers both Dropbox and Google Drive.
- "Current feature list" link no longer working. Updated it with a working link: https://s3.amazonaws.com/tr-learncanvas/docs/Mobile_CanvasTeacher.pdf

## Week 2 Module

- Federal Laws Regarding Accessibility link to Section 504 is incative (Error 404). Replaced with: https://www.dol.gov/general/topic/disability/laws
- "statement in your course syllabus informing students of any special technology requirements" contains an inactive link. Changed link to https://fctl.ucf.edu/teaching-resources/course-design/syllabus-statements/ which contains a section on technology requirements in course syllabi.
- "NCAM National Center for Accessible Media" link no longer goes to the intended link (it goes to the WGBH homepage). Replaced with correct location: https://www.wgbh.org/foundation/what-we-do/ncam

- Random partial word within link in bold. Removed bold font.
- "Faculty Center for Teaching and Learning's (FCTL) [Syllabus Statements](#) (optional)" link is inactive. Found and replaced with working link: [https://fctl.ucf.edu/teaching-resources/course-design/syllabus-statements/](https://fctl.ucf.edu/teaching-resources/course-design/syllabus-statements/)
- Video@CDL "Production process video" link did not go to the production process video. Correct link found and implemented.

## Week 4 Module

- " [FCTL's Checking Student Work for Originality section](#)" contains an inactive link. Found a working site: [https://fctl.ucf.edu/teaching-resources/teaching-strategies/promoting-academic-integrity/](https://fctl.ucf.edu/teaching-resources/teaching-strategies/promoting-academic-integrity/)
- "[Assignments Tool Overview Video](#)" link did not go to video. This has been corrected.
- "[Enabling Turnitin for an Assignment](#)" & "[Using Turnitin in the Speed Grader](#)" links did not go accurate sites. They have been updated to direct users to CDL web pages on the subjects.

## Week 6 Module

- "Screencast" link does not work anymore. Changed to Screencast section of TOPR web site. [https://topr.online.ucf.edu/screencasts/](https://topr.online.ucf.edu/screencasts/)

## Week 7 Module

- fixed inactive link (Webcourses support page)
